WIRELESS LIGHT

Motion Activated Stick
Anywhere LED Light

curv360.co.uk • CURVL01

NO TOOLS

NO WIRING

AUTO ON/OFF

LONG LIFE

INSTALLS IN SECONDS

COOL TO TOUCH

STICKS TO ANY SURFACE

Just Peel and Stick! Instant Light! Anywhere!

Features

1. Use single super bright LED light source, with remarkable energy- saving effect.
2. High energy-saving: Saves 70-90% of electrical energy compared with halogen lamp.
3. Lower temperature: The light emitted would not produce much heat no matter how long it was used.
4. Healthy light: No ultraviolet and infrared radiation.
5. Environmental protection: No any chemicals like mercury and lead, easily recycled, no electromagnetic disturbance.

Easy Installation

No need any screw. Use 3M pad (included) to stick the light on any surface, such as concrete wall, ceramic wall, wood wall, etc.

Motion Sensing

The light automatically detects human motion within 1.5 meter and turns off 20 seconds after you walk away from sensing range.

Applications

Home, Closet, Cabinet, Wardrobe, Stair, Car, Camping, Garage, Cellar, Cupboard, Drawer, Wardrobe, Trunk and so on...

Technical Data	
Part Number	CURVL01
Dimensions	19 x 2 x 3 cm
Style	Motion Sensing LED Light
Colour	White
Shape	Tube
Power Source	Battery Powered
Voltage	6 Volts
Wattage	1 Watts
Type Of Bulbs	10 x LED
